Data Science Course Collaboration Opportunity

Highline College is launching CSCI 180: Introduction to Data Science, modeled after UW's CSE 180, the first course in their Data Science minor. The course launches Winter 2025 and covers data integrity, visualization, statistics, and machine learning. We're seeking collaboration with institutions interested in offering similar courses to enhance data science education statewide.

To learn more about this opportunity, please contact Helen Burn (hburn@highline.edu) or Aaron Hayden (ahayden@highline.edu)
